Fork Lift Truck

We are known for our one stop battery service so we can respond to any battery related enquiry. Most fork lift trucks are fitted with a number of the 2 volt cells. We have a team of Â engineers who will come out and will do a full test report before you need to purchase a battery. Please contact our customer service team on 0845 331 3311 who will be happy to make an appointment.

Below is a range of commercial batteries that fit a selection of fork lift trucks.
